Directions: Planning Your Project

Think about the way that you are going to design your character's body.

- o Is your character going to be wearing pants or a skirt?
- o What color clothes will your character wear? Will you use markers to color your character's clothes? Will you use colored construction paper or fabric to glue on top for your character's clothes?
- o How will you design your character's head, hands, and feet? What facial expression will your character have? Does your character wear glasses, a hat, or have long hair? Will you use yarn for your character's hair?
- o What will your character be holding in his/her hand? This should be based on what you know about your character from your book.

Use the space below to write down your ideas and any special materials that you will need to design your character's body.
